Dear Parent/Carer,

Yesterday the government announced that after schools shut their gates on Friday afternoon, they will remain closed for the vast majority of pupils until further notice except for those children where both parents are key workers or for vulnerable children, as part of the country's ongoing response to coronavirus.

Examples of these workers include NHS staff, police and supermarket delivery drivers who need to be able to go to work to support the country's fight to tackle coronavirus. Vulnerable children include those who have a social worker and those with Education, Health and Care Plans. We are expecting further clarification on what roles are deemed to be key workers imminently.

Children who do not fall into these groups should remain at home with appropriate care.

To be able to assess the level of staffing needed we are asking parents to notify us if they believe they fall under the category of key worker or have a vulnerable child that needs access to child care by completing and returning the form overleaf by tomorrow.

Kind regards,

Mrs R Paddock  
Head of School
