Charging & Remissions Policy

Review September 2021

Introduction

This policy has been formulated in accordance with Authority's guidance on: Charging for School Activities.

Aim

The aim of this policy is to set out what charges will be levied for activities, what remissions will be implemented and the circumstances under which voluntary contributions will be requested from parents.

Responsibilities

The Governing Body of the School are responsible for determining the content of the policy and the Headteacher for implementation. Any determinations with respect to individual parents will be considered jointly by the Headteacher and Governing Body.

Prohibition of Charges

The Governing Body of the school recognises that the legislation prohibits charges for the following:

- education provided during school hours (including the supply of any materials, books, instruments or other equipment);
- education provided outside school hours if it is part of the National Curriculum, or part of a syllabus for a prescribed public examination that the pupil is being prepared for at the school, or part of religious education;
- tuition for pupils learning to play musical instruments if the tuition is required as part of the National Curriculum, or part of a syllabus for a prescribed public examination that the pupil is being prepared for at the school, or part of religious education;
- entry for a prescribed public examination, if the pupil has been prepared for it at the school;
- examination re-sit(s) if the pupil is being prepared for the re-sit(s) at the school;
- education provided on any trip that takes place during school hours;

- education provided on any trip that takes place outside school hours if it is part of the National Curriculum, or part of a syllabus for a prescribed public examination that the pupil is being prepared for at the school, or part of religious education;
- Supply teachers to cover for those teachers who are absent from school accompanying pupils on a residential trip;
- transporting registered pupils to or from the school premises, where the local education authority has a statutory obligation to provide transport;
- transporting registered pupils to other premises where the governing body or local authority has arranged for pupils to be educated;
- transport that enables a pupil to meet an examination requirement when he has been prepared for that examination at the school;
- transport provided in connection with an educational trip.

Publication of Information

A summary of this policy will be included on our school website <https://www.worsbroughcommonprimary.co.uk/> and will be made available in the headteachers office for those who require a copy.

Charges

The governing body intends to make a charge for:

- (a) board and lodging on residential visits (not to exceed the actual costs)
- (b) the proportionate costs for an individual child of activities wholly or mainly outside school hours ('optional extras') to meet the costs for:
 - (i) pupils' travel cost;
 - (ii) materials and equipment;

- (iii) entrance fees to museums, theatres etc;
- (vi) insurance costs
- (c) any other education, transport or examination fee unless charges are specifically prohibited
- (d) breakages and replacements as a result of damages caused wilfully or negligently by pupils
- (e) extra-curricular activities or after school clubs
- (f) Extra curricular and after school clubs provided by third parties
- (g) Lettings – the school will make it's facilities available to outside users at a charge of at least the cost of providing the facilities. More information can be found in our Lettings Policy

Any charge in respect of individual pupils not to exceed the actual cost of providing the optional extra activity, divided equally by the number of pupils participating.

Remissions

In order to remove financial barriers from disadvantaged pupils, the governing body agrees that some activities and visits where charges can be made legally will be offered at no charge or at a reduced charge to parents in particular circumstances. Learners eligible for Pupil Premium funding may have charges remitted in full.

Voluntary Contributions

Parents will be invited to make a voluntary contribution for all or some of the following:

- a) travel
- b) materials and equipment
- c) entrance fees

The terms of any request made to parents will specify that the request for a voluntary contribution and in no way represents a charge. In addition, the following will be made clear to parents:

- a) that the contribution is genuinely voluntary and a parent is under no obligation to pay;
- b) that registered pupils at the school will not be treated differently according to whether or not their parents have made any contribution in response to the request;
- c) **that the activity cannot be funded without voluntary contributions and that if insufficient voluntary contributions are raised to fund an activity, the activity will have to be cancelled. The decision as to the financial viability of an activity rests with the Governing Body and the Headteacher**

The responsibility for determining the level of voluntary contribution is delegated to the Governing Body and the Head of school.

Voluntary contributions will be used to:

- cover all costs incurred by the activity;

Refund of Voluntary Contributions

Taking into account that once voluntary contributions have been received to allow the trip/residential to take place, a firm coach booking is

made and this will then include the pupil within the cost.

If a parent/guardian pays a voluntary contribution for a child and the child is then unable to go on the trip/residential due to unforeseen circumstances, the school will be unable to refund any part of the voluntary contribution that has already been spent or committed.
