

WCPS

WORSBROUGH WEEKLY

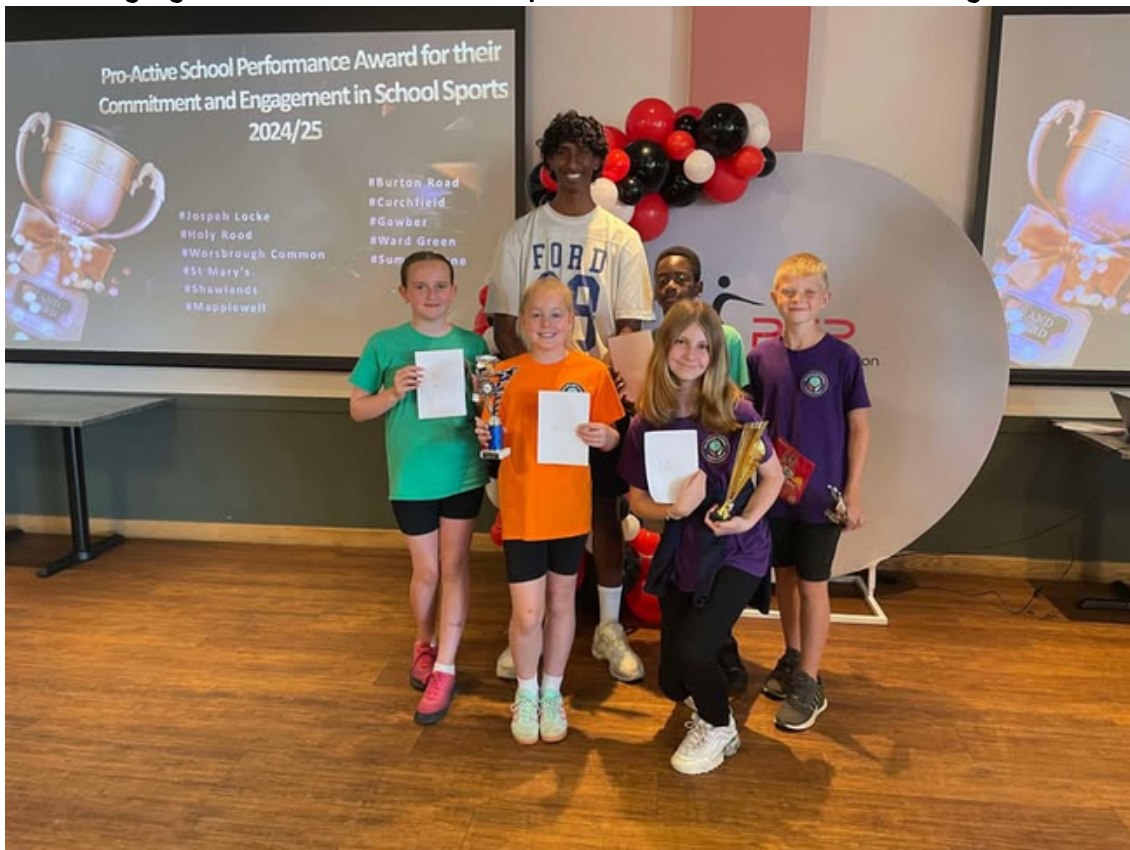

We would like to say a huge well done to our Year 6 children who received their SATS results this week. The progress of each and every child from their starting points is amazing and they all have worked so hard. Our overall school results for reading, writing and maths are fantastic and we are above the national average in all subjects.

Thank you to everyone who came and supported our summer fair.

We are sure you will all agree that Y6 did an amazing job with their stalls and organisation. The overall total raised was £1570 which will all contribute towards subsidizing trips and experiences for children as part of the WCPS promise.

This afternoon we have attended the Pro Active awards for commitment and engagement in school sport and achieved the gold award!

WORSBROUGH PRIMARY
