WORSBROUGH WEEKLY

Happy New Year!

Happy new year to you all! All children have started back at school with fantastic attitudes and ready to learn. We have another busy half term to look forward to and our whole school focus is Design Technology . Children will be given the opportunities to design, make and evaluate a range of different products using lots of different materials.

A colorful flyer for a parent event. At the top left, a blue circle contains the date '13 JANUARY 9AM'. The main title is 'Year 1 & 2 PARENT EVENT' in bold black letters. Below this, it says 'COME AND JOIN US AS WE LOOK AT HOW TO EFFECTIVELY SUPPORT THE USE OF NUMBOTS AT HOME!'. There are two circular logos: the school's logo on the left and a 'Little Wandle LETTERS AND SOUNDS REVISED' logo on the right. A 'REFRESHMENTS PROVIDED' badge with a coffee cup icon is also present. At the bottom, the 'NUMBOTS' logo is shown with two robot characters. A text box on the left says 'Find out about the Phonics Screening Check for Year 1 children and how you can support their learning at home progressing into Year 2.'

Football boots- a plea for help!

If anyone has any old junior football boots at home that are no longer needed we would appreciate any donations to school. These would be passed on to children who need them in our football teams. Thank you.
