## WORSBROUGH WEEKLY

Last week we received an email from the Secretary of State Bridget Phillipson congratulating us on our end of Key stage 2 outcomes for disadvantaged children which were some of the best nationally in 2025. To be recognised nationally is a huge honour for school and a testament to the hard work of all staff and pupils involved.

We have shared an extract from the email we received below.

### A message from Bridget Phillipson

Dear KATE,

**Congratulations** to you and your team on the excellent outcomes the disadvantaged pupils at Worsbrough Common Primary School achieved at the end of the 2024/25 academic year. Your school's performance places it among the very best nationally, and this is a significant achievement.

This success reflects the dedication of your staff and the hard work of your pupils. It shows what can be achieved when ambition and commitment come together. Thank you for everything you do to give children the best possible opportunities to succeed.

Friday Morning Coffee club will now be running monthly!

The next meet up will be Friday 6<sup>th</sup> February in the community room- all parents and carers welcome!

Please could we remind parents/carers of Key stage 1 children to bring book bags to school every day so that we can change reading books regularly.
