### Meet our new Wellbeing Ambassadors

On Monday Wellbeing Ambassadors led whole school assembly. They have taken part in training for this important role and will be helping to support all children across school.

Year 4 children all took part in a session with "Ramp up" to develop their scooter skills on Thursday. All children will be given the opportunity to take home a free scooter after next weeks session!

Thank you to all parents and carers who came to support our Y4 Multiplication check event!

Year 5 children are taking part in the "Young Marketeers" project. They have been planting vegetables in our allotment and are hoping to sell their produce later in the year on Barnsley Market!

The winning house for last half term was Wembley! House heroes will be back next week!
